Very professional and thorough, one of the few, if not the only time I have enjoyed working with an estate agent.

It gives me peace of mind to know that I can rely on your organisation to solve any issues that may arise in the management of my apartment while I am working outside the UK.

The service received from Spencer Thomas Estate Agents has been nothing short of professional, courteous, up-front and on the ball. I hope this proves to be a long and auspicious working relationship.

I found the whole process eerily smooth from start to finish. I felt I was dealing with people who have a knowledge of their profession, of the local area and of the market – experts.

This is to confirm that Matthew Lawrence acted on my behalf in marketing and letting two apartments : Flat 6 and Flat 8, 86 – 88 Banner St.

Both flats were let promptly ensuring that they were not left vacant for very long (therefore with minimal loss of rental income) and were let at a rent I was more than happy with.

The whole experience was completely hassle free and should I need to look for tenants in the future, Matthew would be my first port of call.

We were very pleased with how you dealt with our letting - everything from the initial search, the letting process, cleaning and repairing the bits and pieces. Your approach was professional, friendly and effective. Both we and the tenants are pleased with the outcome.

Hope this helps

"Paul and the team at Spencer Thomas worked hard to help us sell our property in a difficult market.

From a realistic market appraisal to good transaction management once an offer had been accepted, we were happy with their efforts throughout the sales process.

They were a pleasure to deal with."

When we were looking for a property to buy in Clerkenwell, Spencer Thomas website really stood out as the most effective and easy-to-use. As a result we ended up looking at properties with Paul who was always polite, honest and efficient. He worked hard to make the purchase as straightforward as possible.

We were so pleased with the service that we used Spencer Thomas again to rent out our flat while we were working abroad and again Spencer Thomas came up trumps with pricing, finding a good tenant and making the whole process completely painless.

When we decided to sell the property there was no question of having anyone other than Spencer Thomas. The pricing, the listings, viewings and all advice we had from Paul were excellent.

None of the negative stereotypes apply to this estate agent. The service is efficient, friendly, honest and very personal. I just wish Spencer Thomas operated in our new neighborhood.
